

Building & Grounds Team

This volunteer group consists of two parts, our Church and the grounds surrounding it. These volunteers care for Shalom inside and out.

Do you have a talent for fixing things around the house? We could use your help with our 'honey do' list here in God's house.

The list includes a wide variety of projects such as fixing leaks, holes in the wall, broken tables, and painting. Other responsibilities include maintenance and scheduling regular upkeep for equipment. If you prefer being outside digging in the dirt we have plenty of projects for you to help maintain the outside appearance of the church.

These volunteers enjoy a very flexible time commitment. Grounds work includes spring and fall cleanups, seasonal planting, maintenance of flowerbeds, trim and weed, and help with minor repairs

*For where two or three are gathered in my name, there am I among them.
Matthew 18:20*

And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man. He will dwell with them, and they will be his people, and god himself will be with them as their god."
